Approval of Meeting Minutes

Commissioner Deaver made a motion to approve the minutes of March 10th 2016. Commissioner Daniels seconded the motion. Motion passed unanimously.

Appeal- Trevor Bradshaw is appealing the suspension from a April 23rd 2016 on a U.A. violation.

Commission Chair Leavitt called for Trevor Bradshaw to make a statement. Bradshaw stated that he was unaware of how such a substance could have been in his system. He went on to ask for leniency on the 2 year suspension due to his 3 offence.

Commissioner Daniels made a motion to uphold the standard and deny the appeal, but would allow for further discussion regarding length of suspension. Commissioner Deaver seconded the motion. The motion passed unanimously.

Further discussion: Commissioner Daniels felt that Bradshaw was sincere and "Lacked Intent". Commissioner Deaver instructed Bradshaw to return 1 year from today's date to review. Although it may not increase his odds of reducing his suspension, if he was to submit to periodic "Drug Screenings" with clean results the commission would hear out his further appeal at that time. The 2 year suspension stands as directed.

Imperial Boxing proposed a State Title bout between Jose Haro and Dominic Coca

It was determined that Dominic Coca was not only net eligible to compete for a title bout ineligible to compete under the current Administrative Rule which bars and athlete from competition with 6 straight losses in a row. Dominic Coca has lost 9 in a row.

Clash FC prososed a State Title bout between Brad Darrington and Ed Whitmore (MMA)

It was determined that both athletes have an outstanding record and exemplify the spirit of the Utah State Championship criteria. Neither athlete having had disciplinary action taken against them, should this title bout be approved? This bout will be on the July 16 Clash FC event in Logan.

Commissioner Daniels made a motion to approve this bout for the Utah State Middleweight MMA Championship. Commissioner Deaver seconded the motion. The motion passed unanimously

Discussion of policy to grant USADA the authority to conduct all drug testing at the August 6 UFC event.

Scott Bowler opened the discussion regarding granting United States Anti-Doping Agency (USADA) to conduct all drug testing at the upcoming UFC event on August 6th. A conversation with Onye Ikwuakor

of USADA revealed that they are currently contracted by the UFC to complete a comprehensive drug screening at every event. They plan to test 6-8 athletes the night of the event. They are willing to share the results with the PSUAC at no cost to the commission. All members agreed that it would be great to have them conduct this service, and it could be a learning experience for the Inspectors.

Discussion regarding UFC

Mr. Bowler related that the scanning project is moving forward. The "RFQ" from "State Purchasing" is complete and the lowest bid was approx. \$8500 by the local company Digi-tech. The process is scheduled to start next week.

Discussion regarding Number of rounds for Combat Sports

Boxing regulations currently state that a minimum 30 rounds stands and a minimum of 24 rounds is required for Professional/Amateur event. There are no current standards for Mixed Martial Arts. It was stated that the "free market" will decide if a promotion is successful by purchasing tickets. Commissioner Daniels feels that sanctions should only be taken if a promotion falsely advertises number of fights/rounds. Commission Chair Leavitt asked to continue this discussion for consistency, and possible Administrative Rule change at a later date.

Continued discussion regarding Weigh In / Weight Cutting policy

The current policy states that a fighter will not be allowed to compete if he/she weighs more than 4 pounds above the contracted weight. Commission Chairman Leavitt feels that that is still a reasonable standard. Commissioner Daniels concurred but added that "if the fighter is within the 4 pound limit and both parties agree to the bout, sanctions against the fighter who missed weight should still be enforce by the commission.

Promoter Kevin Patton would like to see a fine rather than suspension of even for the Amateur fighter.

Commission Chair Leavitt directed Mr. Bowler to complete a revision to the Fight Night Protocol regarding weigh-ins and circulate that amongst the commission for review.

Financial Report

Director Colbert explained that with the Commission budget reflects a successful year. Even with the recent expenditures of increased staff (Scott Bowler) we are still well under our annual budget guidelines. The Ringside Physician/ABC Conference at the end of July will be applied to the next fiscal year's budget. The "Scanning Project" will be applied to the current years' budget.

Public Comments – Open Discussion – No Action to be taken

Contestant A. J. Garcia asked about the possible rule change that was discussed back in November regarding the failed U. A. test. He was told that there was a possibility that the rule may change regarding the length of suspension due to the 1st violation was 3 years prior.

Chairman Leavitt related that no such rule change had yet been made. The commission retreat has yet to be scheduled to discuss this matter.

Promoter Kevin Patton asked the Commission why other promoters are not held to the same standard (particularly boxing) in regards to the 1 week rule for medical reports. Why would a promoter be allowed to turn in medicals after the due date? The commission explained that the Promoter in question was not only fined but a letter of reprimand will be going out and further sanctions will be levied if this action continues. Patton continued that the promoter in question hurts the sport as a whole.
